Current Position

Assistant Professor of Epidemiology

Education

Grade	University	Country
Bachelor's degree	ILam University Of Medical Science	Iran
Master's degree	Iran University Of Medical Science	Iran
PhD	Tehran University Of Medical Science	Iran

ADDITIONAL SKILLS And Research Interests

Additional research skills include: Data analysis, Epidemiologic studies design, Case report study, analyze data using Stata, and SPSS

Research interests: case control studies, cohort studies, Survival model analysis

Thesis

1. Evaluation the risk of transition in moderate to dialysis state in chronic kidney disease and the factors affecting it, using semi-markov multi-state models based on the distribution of weibull.
2. Investigating the relationship between axis one mental disorders, social support, anger and impulsivity with suicide attempts.

Teachings

- Teaching :
- Teaching various topics in the field of epidemiology
- Research Methodology in Medical Sciences
